Quality Policy

At Newen Systems, we believe that we are in business of providing best in class products and services to our customers. These products and services should meet the quality standards of our customers. All our employees and service partners are aware of this quality policy and understand their individual responsibilities in ensuring successful delivery of this policy.

We meet this commitment by operating a quality management system to the requirements of ISO 9001:2015

Our business operations are driven by:

- Customer obsession: We make sure that our customers get the best solution for BESS
- Entrepreneurial zeal: We take complete ownership of the task assigned and bring customer centricity in everything we do. Growth and performance orientation drive our action and work
- Excellence in operations: We run our operations to improve continually and achieve excellence in all respects: Quality, Cost and Timeline
- Innovation: We as a team collaborate to ensure that we innovate to bring right product, technology, and solution for our customers
- Sustainability: We want to ensure that we adhere to all applicable laws of the land. We continually strive for all round development and wellbeing of all stakeholders involved.
